I certify that I do/do not own the animal described above and that I surrender all rights to property in this animal to the Animal Welfare League of Alexandria. For owned animals, I also certify that no other person has a right to property in this animal. I understand that I **MAY NOT** reclaim this animal and that it may be placed in an adoptive home or humanely euthanized either immediately or if the League determines that a suitable home cannot be found. I also authorize my veterinary hospital to release all records pertaining to this animal to the League.

While the Animal Welfare League of Alexandria takes your privacy very seriously, the Code of Virginia, Section 3.2-6557 requires that certain records kept and maintained by any animal shelter, including the names and addresses of owners of animals surrendered to an animal shelter, be available for public inspection. This does not apply to persons turning in stray animals, or to persons turning in injured wildlife.
